Dear Residents, Families and Friends:

Happy New Year, 2017! Gratitude is a word that comes to mind when reviewing this month's activities. As we hope to live a life of grace and gratefulness, it is important to thank those who have been so good to us! It is also with gratitude that we thank you for entrusting your loved ones to us as a partnership in care. We are much more successful in bringing love and joy to those we serve when we join together.

December was a lovely month full of holiday activities. Many school groups caroled throughout our community; what a festive month with all the trees and wreaths throughout the community! A special thank you to all the vendors who participated in the holiday spirit. January will also be a busy month filled with many outings in the community and "Putting on our Pirate hats" for the Gasperilla Party on Jan. 10.

A very sincere thanks to each family and resident who donated to our Employee Appreciation Fund. Donations were beyond our expectations. We held a fun-filled party where employees received your gifts, and our staff was very appreciative.

As we begin 2017, may we remain thankful for all we do together to enhance the lives of those who are so precious to us. We are dedicated to enhancing quality of life for all our residents. We wish each of you a Happy and Healthy New Year. May 2017 be the best year yet!

Football season winds down in January, with just the Super Bowl left to be played next month. If you find yourself yearning for some gridiron glory, check out one of these popular football films.

"Knut Rockne, All-American" — Featuring future president Ronald Reagan, this 1940 film is the biography of legendary University of Notre Dame football coach Knute Rockne.

"The Longest Yard" — In this comedy, a prison warden asks a former pro quarterback to put together a team of inmates to take on the guards in a football game. Both the original 1974 version with Burt Reynolds and the 2005 remake with Adam Sandler are full of laughs and celebrity cameos.

"Friday Night Lights" — The true story of the 1988 Permian High School football team of Odessa, Texas, offers a look at the importance football has in the lives of many Lone Star State residents.

"The Blind Side" — Another movie based on real-life events, this 2009 drama tells the story of homeless teen Michael Oher, who is taken in by a well-to-do family, excels on the football field in high school and college, and goes on to be an NFL first-round draft pick.

Jim is a Pro at picking winners!

Resident of the Month!

Our L.E.A.P. (Life Enrichment Activity Program) would like to recognize Robert Morris!

Kind, polite and funny are just a few words that describe Robert! He joins us for Bingo, Church, lunch outings and social events. We love to hear his stories of living in Kansas, camping, snow and the love he has for his family! We are so happy to have Robert at Lewisville Estates!
