Hello, everyone! September promises to be another great month at our community. Fall will be here soon, bringing cooler temperatures and the rich colors of falling leaves. Check out this month’s calendar and be on the lookout for details about some favorite fall activities that we have planned. As always, please feel free to stop by my office at any time. Have a great September!

Snoopy in Space

"Peanuts" comic strip canine Snoopy is known for piloting his flying doghouse, but did you know he's also flown in space? Since the early days of the Apollo program, Snoopy has served as a safety mascot and ambassador for NASA. During the Apollo 10 mission, which was the dress rehearsal for Apollo 11's moon landing, the spacecraft's two modules were nicknamed Charlie Brown and Snoopy. The Silver Snoopy Award is given to NASA employees for outstanding achievements. And in 2022, a plush Snoopy doll launched into orbit aboard the Artemis I, where he wore a mini spacesuit made of the same materials that real astronauts wear.
