

Dear Residents, Family, And Friends

Summertime is here! As the days get longer and the sun warms our skin, we are enchanted by the magic of the season. Enjoy time with the people that are important to you and experience fun things that you have never tried before. Memories with our loved ones are the most precious things in this world.

Last month in May, we had a wonderful time eating delicious food and dancing during our Cinco de Mayo fiesta! We also honored all the moms in our lives during our Mother's Day tea party. It was so wonderful to see all the residents and family members who joined us during these events.

This June is sure to be even more exciting. We are looking forward to fun outings and going out to enjoy the beautiful weather. We will also be celebrating all of our amazing dads during our Father's Day event. Make sure to check the calendar and reminders often so you don't miss out on a moment of fun.

Father Figures

Sometimes, the dads we see on television impact our lives as much as our own parents. This Father's Day, take a trip down memory lane and remember these fictional fathers:

Andy Taylor. On "The Andy Griffith Show," Sheriff Taylor (Andy Griffith) was a widowed father raising his son, Opie, in the fictional small town of Mayberry, N.C. Taylor often showed his dedication to Opie, taking him fishing and teaching him life lessons.

Howard Cunningham. Set in the 1950s, "Happy Days" featured Mr. Cunningham (Tom Bosley) as the loving authority figure of his household. In addition to parenting his own children with poise, "Mr. C" frequently gave fatherly advice to his son's friends.

Charles Ingalls. Lovingly called "Pa" by his daughters, Charles Ingalls (Michael Landon) was an upstanding member of the community in "Little House on the Prairie." As a frontier man, Ingalls showed strength, wisdom and compassion.

Tim Taylor. The '90s brought a pattern of well-meaning but often inept TV dads, including the clumsy Tim "The Tool Man" Taylor (Tim Allen) of "Home Improvement." Faced with the challenge of raising three energetic sons, Taylor and his wife, Jill, often sought advice from their wise neighbor, Wilson.
