Happy Father's Day, Dads!

Every June, families everywhere set aside a day to honor fathers. A father is more than just a family's patriarch; he is a source of wisdom and strength for everyone in his home. At our community, we'll be hosting a celebration to say thank you to all our center's dads who've raised generations. We will have a feast fit for a king! We'll supply the meat for the grill; you just bring along the fixings to make the meal complete. Don't miss the fun and fellowship at this Father's Day feast.

The Stars and Stripes

Flying outside businesses and homes, in classrooms and on TV, the American flag is seen by many of us every day. Each year on June 14, Flag Day is an opportunity for us to appreciate this patriotic symbol and all it stands for. The holiday marks the date in 1777 when the Second Continental Congress adopted the nation's first flag, which had 13 red and white stripes and 13 white stars on a blue field in the upper left corner. The number of stars and stripes represented the 13 Colonies that formed the U.S. Today's flag continues to honor the original Colonies by keeping the 13 stripes, but there are now 50 stars in the corner, as the country has grown to include 50 states.
