

## SEPTEMBER 2022

### September's Starry Flower

Containers of daisy-like asters are often seen displayed with them. September's birth flower, the aster blooms in late summer through autumn, bringing hues of blue, purple, pink and white to the garden. Aster is the Greek word for star, describing the shape of the flower's fanned petals.

## Sept. 11: We Remember

Sept. 11 is designated as Patriot Day in memory of the nearly 3,000 who died in the Sept. 11, 2001, terrorist attacks. To honor those who died, the American flag is displayed prominently and flown at half-staff; Americans are also asked to observe a moment of silence beginning at 8:46 a.m., marking the first plane crash. We honor the memory of those we've lost and hope you'll take some time on the 11th to remember the many who died on this tragic day.
