## Season's Greetings!

An apple and an orange. It's an old tradition that goes back to the Garden of Eden. The apple represents fruit from the tree of knowledge. The orange is from the tree of good and evil. When Adam and Eve were expelled from the garden, it was both punishment and grace. The grace was because they were now sinful, and had they eaten from the tree of life they would of lived forever in their sinful state. At Christmas, God's promise began to unfold, and we celebrate with an Apple and Orange to remind us of our sin, and the price that Christ paid so that we can eat of the tree of life.

Happy Holidays to the residents, families, and staff of Lewisville Estates!

## Winter Message

A flake of snow in flurry thro' the air  
Had landed as a kiss upon my cheek.  
A secret message, just for me to share,  
To take to heart but never dare to speak  
About or presuppose to other eyes

Your open feelings-distant though they are.  
And so, upon your lops, my OWN surprise  
A flake of snow returned from me afar.  
winter winter winter winter icy winter  
winter winter winter winter icy winter
