Ladies of Lewisville Estates Tea Party

Laughter and conversation come naturally when gathered around a beautifully planned tea party. Whether held in the afternoon or evening, each style of tea offers its own charm and delightful menu. Afternoon tea—often called “low tea”—is typically enjoyed at a low table and features light, elegant treats like scones, tea sandwiches, and cakes. High tea, served later in the day at a dining table, includes heartier fare such as meats, eggs, breads, and desserts—more like a light supper with tea. At Lewisville Estates, we’re bringing you the best of both traditions!

We warmly invite all the ladies of our community to join us for a special **Ladies of Lewisville Estates Tea Party** on **Saturday, May 9th, at 2:00 PM**. This meaningful gathering is a wonderful way to honor the women who have influenced and shaped our lives. Residents are welcome to invite up to three special female guests to share in this memorable afternoon. **Seating is limited**, so reservations are required. Please sign up at the front desk by **Friday, May 8th**, to reserve your spot.

We look forward to celebrating with you!

We had a wonderful celebration for Mrs. Peggy’s 101st birthday, and it was truly a day to remember. She was completely surprised by the outpouring of love, kind words, and thoughtful gestures from everyone around her. Seeing her smile and the joy on her face reminded us all how special she is to our community. It was a beautiful celebration honoring an incredible milestone and an even more incredible woman.

Springing Into the Season

With their trumpet-shaped blooms, daffodils announce the arrival of spring. The bright yellow and white flowers are one of the season's first and among the few plants that can grow through the snow. According to a Welsh legend, if you see the first daffodil, your year ahead will be filled with wealth.

"Being a mother is learning about strengths you didn't know you had."

Our April Denim & Diamonds event was an amazing time! Residents enjoyed delicious food, great music, and especially the therapy horses. Laughter and smiles filled the room as everyone embraced the fun, western theme. The therapy horses were the highlight, creating memorable moments for all. Thank you to everyone who helped make this event so special! Now, put away your denim and grab your grass skirts—a Hawaiian Luau is coming in May!

Moms in the Movies

Some memorable mothers have made their marks on the movie screen. This Mother's Day, celebrate the maternal instinct found in the following characters.

Maria Portokalos. At the head of the overbearing yet lovable family in "My Big Fat Greek Wedding" is this feisty mother (Lainie Kazan), who supports her children with love, advice and fabulous cooking.

M'Lynn Eatenton. Sally Field earned a Golden Globe nomination for her emotional portrayal of this Southern mama, whose devotion to her grown daughter is a central theme of the beloved film "Steel Magnolias."

Elastigirl. Voiced by Holly Hunter, this flexible crime-fighting mom has to deal with three kids who have superpowers of their own. But villains don't stand a chance against the matriarch of "The Incredibles."

Tanya Anderson. In "Akeelah and the Bee," Angela Bassett plays a widowed mother who isn't very impressed with her daughter's desire to compete in a regional spelling bee. Tanya changes her tune even as Akeelah begins to lose motivation, and she supports and encourages Akeelah, who goes on to win the National Spelling Bee.

Rebecca Morgan. In the 1972 movie "Sounder," Cicely Tyson plays the mother of a Louisiana family struggling to survive during the Depression. Tyson was nominated for an Academy Award for her role in this box office hit.

Maria von Trapp. As the von Trapp children's governess and future stepmother, Fraulein Maria (Julie Andrews) offers the young brood a comforting maternal figure and teaches them to sing in "The Sound of Music."

Sweet and Simple Mother's Day Greetings

A handmade card will warm the hearts of moms, grandmas and other important ladies in your life. Say something special with one of these fun ideas:

For the tea-riffic mom. Pour out your heart in this tea-themed card. Cut one of the corner cups out of a cardboard egg carton, then cut the cup in half so it can be glued flat against a blank card. Color the cardboard cup with watercolor paints or markers. Attach a pipe cleaner handle and glue the teacup to the card. Then stick a teabag of Mom's favorite blend inside the cup.

Let your love grow. Out of brown paper, cut out a simple flowerpot shape, then cut another to match. Glue one flowerpot on a blank card and write your message on it. Then place the other pot on top, only gluing at the top so you can lift the first layer to read the message. Add paper or fabric flowers coming out of the pot.

Pocket-sized greeting. Holding a blank card vertically, cut off the top two corners at a curve, so the resulting card shape resembles an apron. Cut a paper doily in half and glue it to the apron, round side down. Then attach a square of decorative paper on top of the doily, gluing around the sides and bottom edge only. Slide a gift card or small treat inside the apron pocket. Complete the look with a loop of ribbon at the top of the apron. Happy Mother's Day!
